The following delegates were unanimoraly chosen to represent the city is the territorial republican convention. Chairman Myers, on motion, appointed which assembles at Socorro to morrow:

Pestro Peres, E S. Stover, Thomas Hughes, T. A. Finnal, W. D. Lee, F. A. Hopkins, Jesus Romero, Wm. Farr and Hubbell, C. F. Hunt, L. W. Roberts, Je. aus Romero, E. W. Dobson, B. S. Rodey C. C. Crockett, Alejandro Sandoval and

This concluding the business for which the convention was called, Hon R. E. Twitchell, chairman of the territorial central committee, who was present in the hall and an interested spectator of the parmonious proceedings, was invited to Upon reconvening, the committee on address the convention. Mr Twitchell is organization reported in favor of making one of the best orators in New Mexico, dying at his home in Chicago. A letter the convention. There were no contests On motion of Hon F A. Hubbell, a vote resolutions reported the following, which his efforts in bringing about barmony in the discordant elements of the party, af-Whereas, New Mexico is entitled by ter which the convention adjourned, "peace and harmony prevailing."

A wad terident.

The death of Joseph Warrington, Satarday afternoon, was indeed sad. About midday Friday, Mr Warrington was hauling some adobe brick near home with a team of 2 horses and 2 mules. In some stepped back a few feet, when for some reason the borse suddenly kicked, striking Mr. Warragton in the stomach. He walked a few feet to lay down in the shade, and did not seem seriouly burt The brother, C. A. Warrington, was near by, and at once got a buckboard and took him to the house. Euerything possible was done for him, but he did not morning he was weaker, and a doctor was summoned. Before the doctor arfuneral was held Sunday at 3 p. m The services at the cemetery were very short as the family were prostrated with grief The mother was unable to attend. Mr. Warrington was an exceptionly fine man in his home da very hard working honest, earnest, Christian man. He was a native of Indiana; had lived for severa years in Hot Springs, Ark ; coming to the Pecos Valley last winter He was just in the prime of life, being in his 35th year. He leaves a wife, two little children, and a mother, here, beside a sister. and his brother and family .- Roswell

each vial, which is sold at the same price as the cheaper made and more ordinary pills found in the market. In curative vistues, there is no comparison to be made between them and the ordinary pills, as any one may easily learn by sending for a free sample, (four to seven doses) of the Pellets, which will be sent on receipt of name and address on a postal card.

ONCE USED THEY ARE ALWAYS IN PAYOR.

The Pellets cure biliousness, sick and

Handbills have been received at this office announcing a meeting of the three political parties in Gallup, to take place on this (Friday) evening, to take such steps as will best promote the formation of a new county The notice is signed by J J Keegan, for the democrats; Gus. Mulholland, for the republicans, and Jas.

From High Government Authority.

No authority of greater experience on food products es ists than Dr. Henry A. Mott, of New York. Dr. Mott's wis experience as Government Chemist for the Indian Depart ment, gave him exceptional opportunities to acquaint himse with the qualities and constituent parts of baking powden He understands thoroughly the comparative value of ever brand in the market, and has from time to time express his opinion thereof. On a recent careful re-examination a analysis he finds

Dr. Price's Cream Baking Powder

superior to all others in strength, purity, and efficiency. Mott writes :-" New York, March soth, 1894. I find Dr. Price's Cream Baking Powder to be superio

to all others, for the following reasons :ist. It liberates the greatest amount of leavening gr

and is consequently more efficient. and. The ingredients used in its preparation are of th purest character.

3rd. Its keeping qualities are excellent.

4th. On account of the purity of the materials and their relative proportions, Dr. Price's Cream Baking Powder mus be considered the acme of perfection as regards wholesomenes and efficiency, and I say this having in mind certificates have given several years ago respecting two other baking

The reasons for the change in my opinion are based the above facts and the new method adopted to prevent you baking powder from caking and deteriorating in strength. HENRY A. MOTT, Ph. D., L. L. D.

TO WORK THE BRAIN.

Desira to 'ap ofter Eating Denotes

for the healthy the nap in the afternoon is not necessary, and the brain will not demand it. finds himself napping at that time either he has eaten too much at his midday meal or his cerebral circuintion is feeble.

It is the universal habit of the pig that is being fattened to sleep in his sty a ter his midda/ meal. working horse, on the other hand, which get- nothing at midday but a teed of corn a small but highly nutritious meal-does not sleep at all after L but is fresh and ready for work in balf an hour.

One would like to persuade all literary workers to work in the day and seep at night, says the Chicago times They should never go for more than eight hours a day. Early rising would be good for most of them. A cup of coffee and a piece of toast at 6-19 o'clock might be followed by an hour's work from 7 to 5. The whole hour between 8 and 9 should be devoted to a thoroughly good breakfast and a short walk Work from 0 to 12.

Half an hour should then be spent in gertie sauntering in the Tresh air, and a light lunch should follow say a chop and bread, with a modicum of light pudding. From to a pipe and a saunter, and at a cup of black coffee. From 2 to work at i a cup of afternoon tea. and a rest until & From 5 to 3 . work, and at 6:3) the real laomp eted. t a good, well-cooked, appetis-

ng, slowly eaten dinner, followed by me cup of black coffee, but no tea. At 10 45 a small cup of cocos and or two pieces of toast. At II d and sleep till 6 or 0:30. The rain worker should not work more than five days a week in this fashion. e should have two da, s of leisure is the week The first of these should be de-

roted to brisk and thoroughly faiguing exercise in the open air, and second to lolling. lounging, a little light reading, and the like. This is the kind of life which physiology would suggest for the brain worker, and in this "scheme of life" there is neither place nor necossity for the afternoon nap.

J. D Williamson, who set type in Albuquerque some ten years ago, is in the city from De., ver. Mr. Williamson had a piece of ground south of the city, which had he held, would have been very valuble now. He is perfectly willing to remain in the city, and so expressed himself to THE CITIERS to-day. Setice for Publication
